JEFFERSON PARISH
PURCHASING DEPARTMENT
P.O. BOX 9
GRETNA, LA. 70054-0009
504-364-2678

VENDOR:

BUYER: AHolmes

BIDS WILL BE RECEIVED IN THE PURCHASING DEPARTMENT, SUITE 4400, JEFFERSON PARISH GENERAL GOVERNMENT BUILDING, 200 DERBIGNY STREET, GRETNA, LA 70053 UNTIL 2:00 PM, 2/25/2010 AND PUBLICLY OPENED UPON COMPLETION OF ADMINISTRATIVE TASKS.

LATE BIDS WILL NOT BE ACCEPTED

NOTE: ONLY BIDS WRITTEN IN INK OR TYPEWRITTEN, AND PROPERLY SIGNED BY A MEMBER OF THE FIRM OR AUTHORIZED REPRESENTATIVE, WILL BE ACCEPTED. PENCIL AND/OR PHOTOSTATIC FIGURES OR SIGNATURES DISQUALIFY BID.

INSTRUCTIONS FOR BIDDERS AND GENERAL CONDITIONS
THE FOLLOWING INSTRUCTIONS APPLY TO ALL BIDS

All bids submitted are subject to these instructions and general conditions and any special conditions and specifications contained herein, all of which are made part of this bid proposal reference. THIS BID PACKAGE MUST BE RETURNED IN ITS ENTIRETY.

Questions on this bid are to be faxed to (504) 364-2693 no later than FIVE (5) working days prior to bid opening. Bid numbers should be mentioned in all requests.

The purpose and intention of this invitation to bid is to afford all suppliers an equal opportunity to bid on all construction, maintenance, repair, operating supplies and/or equipment listed in this bid proposal. JEFFERSON PARISH will accept one bid only from each vendor. Items bid must meet or exceed specifications.

JEFFERSON PARISH will accept one price for each item unless otherwise indicated. Two or more prices for one item will result in bid rejection.

If the bid exceeds \$20,000.00 and the bidder is an agency, corporation, partnership, or other legal entity, the president, vice-president, secretary/treasurer, or an authorized agent, shall sign the proposal, and satisfactory evidence of the authority of the person signing for the agency, corporation, partnership, or other legal entity shall be attached to the proposal.

AWARD OF CONTRACT: JEFFERSON PARISH reserves the right to award contracts or place orders on a lump sum or individual item basis, or such combination, as shall in its judgment be in the best interest of JEFFERSON PARISH. Every contract or order shall be awarded to the LOWEST RESPONSIBLE BIDDER, taking into consideration the CONFORMITY WITH THE SPECIFICATIONS and the DELIVERY AND/OR COMPLETION DATE.

Preference is hereby given to materials, supplies, and provisions produced, manufactured or grown in Louisiana, quality being equal to articles offered by competitors outside the state. "LSA-R.S.38:2251-2261"

USE OF BRAND NAMES AND STOCK NUMBERS: Where brand names and stock numbers are specified, it is for the purpose of establishing certain minimum standards of quality. Bids may be submitted for products of equal quality, provided brand names and stock numbers are specified. Complete product data may be required prior to award.

CANCELLATION OF CONTRACT: JEFFERSON PARISH reserves the right to cancel all or any part if not shipped promptly. No charges will be allowed for parking or cartage unless specified in quotation. The order must not be filled at a higher price than quoted. JEFFERSON PARISH reserves the right to cancel any contract at anytime and for any reason by issuing a THIRTY (30) day written notice to the contractor.

For good cause and as consideration for executing a contract with Jefferson Parish, vendor conveys, sells, assigns and transfers to Jefferson Parish or its assigns all rights, title and interest in and to all causes of action it may now or hereafter acquire under the antitrust laws of the United States and the State of Louisiana, relating to the particular good or services purchased or acquired by Jefferson Parish.

INSTRUCTIONS FOR BIDDERS AND GENERAL CONDITIONS

JEFFERSON PARISH requires a firm price. Quoted price will remain firm until _____

PRICES: Jefferson Parish is exempt from paying sales tax under LSA-RS 47:301 (8)(c). All prices for purchases by Jefferson Parish of supplies and materials shall be quoted in the unit measure specified and unless otherwise specified, shall be exclusive of state and Parish taxes. If a contractor is to act as Purchasing Agent for tax-exempt purposes, the Parish shall specifically state so within this bid specification. All quotations shall be based on F.O.B. Agency warehouse or job site, anywhere within the Parish as designated by the Purchasing Department.

Quantities listed are for bidding purposes only. Actual requirements may be more or less than quantities listed.

Bidders are not to exclude from participation in, deny the benefits of, or subject to discrimination under any program or activity, any person in the United States on the grounds of race, color, national origin, or sex; nor discriminate on the basis of age under the Age Discrimination Act of 1975, or with respect to an otherwise qualified handicapped individual as provided in Section 504 of the Rehabilitation Act of 1973, or on the basis of religion, except that any exemption from such prohibition against discrimination on the basis of religion as provided in the Civil Rights Act of 1964, or Title VI and VII of the Act of April 11, 1968, shall also apply. This assurance includes compliance with the administrative requirements of the Revenue Sharing final handicapped discrimination provisions contained in Section 51.55 (c), (d), (e), and (k)(5) of the Regulations. New construction or renovation projects must comply with Section 504 of the 1973 Rehabilitation Act, as amended, in accordance with the American National Standard Institute's specifications (ANSI A117.1-1961).

RESPONSE TO INVITATION: If your company is unable to bid on this request, please state your reason on bid form, and return to this office before bid opening date. Failure to do so may result in the removal of your company from Jefferson Parish's vendors list.

The general specifications for construction projects and the purchase of materials, services and/or supplies are those adopted by the JEFFERSON PARISH Council by Resolution No. 105529 or 105530 dated 5/17/06. The general conditions adopted by this resolution shall be considered as much a part of this document as if they were written wholly herein. A copy may be obtained from the Office of the Parish Clerk, Suite 6700, Jefferson Parish General Government Building, 200 Derbigny Street, Gretna, LA 70053.

POSTING OF BIDS: Non-Advertised bids will be posted on bulletin board in Suite 4400, Jefferson Parish General Government Building, Gretna, LA, for a period of Five (5) working days after opening date.

Advertised bids will be tabulated and a copy forwarded to each responsive bidder.

ADDITIONAL REQUIREMENTS FOR THIS BID

PLEASE MATCH THE NUMBERS PRINTED IN THIS BOX WITH THE
CORRESPONDING INSTRUCTIONS BELOW.

12,13,14,15,16

1. All bidders are invited to attend the pre-bid conference. Failure to attend the pre-bid conference shall not relieve the bidder of responsibility for information discussed at the conference. This conference is held to allow questions to be answered and inspect the site with owner's representative, etc. Failure to attend the pre-bid conference and inspection does not relieve the successful bidder from the necessity of furnishing materials or performing any work that may be required to complete the work in accordance with the specification (with no additional cost to the owner).
2. Contractor must hold current applicable JEFFERSON PARISH licenses with the Department of Inspection and Code Enforcement. Contractor shall obtain any and all permits required by the JEFFERSON PARISH Department of Inspection and Code Enforcement. The contractor shall be responsible for the payment of these permits. All permits must be obtained prior to the start of the project.
3. A Louisiana state contractor's license may be required in accordance with LSA-R.S. 37:2150 et seq.

INSTRUCTIONS FOR BIDDERS AND GENERAL CONDITIONS

4. It is the bidder's responsibility to visit the job site and evaluate the job before submitting a bid.
5. Job site must be clean and free of all litter and debris daily and upon completion of the contract. Passageways must be kept clean and free of material, equipment, and debris at all times. Flammable material must be removed from the job site daily because storage will not be permitted on the premises. Precautions must be exercised at all times to safeguard the welfare of JEFFERSON PARISH and the general public.
6. All awards in excess of \$5,000.00 for the construction, alteration, or repair of any public works will be reduced to a formal contract which shall be recorded at the contractor's expense. A price list of recordation costs may be obtained from the Clerk of Court and Ex-officio Recorder of Mortgages for the Parish of Jefferson. All awards in excess of \$25,000.00 reduced to formal contract will require a performance bond.
7. A performance bond will be required for this bid. The amount of the bond will be 100% of the contract price unless otherwise indicated in the specifications. Performance bond shall be supplied at the signing of the contract.
8. Please indicate if you have insurance: YES _____ NO _____
Successful bidder will be required to furnish proof of insurance to this office.
Successful bidder will be required to furnish Federal I.D. Number.
9. Minimum insurance requirements for this bid are as indicated on the attached sheet.
10. Each bid must be accompanied by a cashier's check, certified check, money order, or surety bid bond in the amount of 5% of the bid.
11. Affidavit required to be submitted with bids on all solicitations for construction, alteration or demolition of public building or project. (LSA-R.S. 38:2224)
12. This is a requirements contract to be provided on an as needed basis.
13. All prices must be held firm unless an escalation provision is requested in this bid. Jefferson Parish will allow one escalation during the term of the contract, which may not exceed the U.S. Bureau of Labor Statistics National Index for all Urban Consumers, unadjusted 12 month figure. The most recently published figure issued at the time an adjustment is requested will be used. A request must be made in writing by the vendor, and the escalation will only be applied to purchases made after the request is made.

Are you requesting an escalation provision?

YES _____ NO _____

MAXIMUM ESCALATION PERCENTAGE REQUESTED _____%

INITIAL BID PRICES WILL REMAIN FIRM THROUGH THE DATE OF _____.

For the purposes of comparison of bids when an escalation provision is requested, Jefferson Parish will apply the maximum escalation percentage quoted by the bidder to the period to which it is applied in the bid. The initial price and the escalation will be used to calculate the total bid price. It will be assumed, for comparison of prices only, that an equal amount of material or labor is purchased each month throughout the entire contract.

14. In the event that the successful bidder cannot furnish a specific item or material and labor in the required time, JEFFERSON PARISH may purchase on an emergency basis from the next lowest bidder, or available source, until such time as the successful bidder has notified the PARISH in writing that his stock or labor capability has been replenished. The difference in price will be charged against the successful bidder of this contract, and evidence of purchases and price will be provided.
15. Vendor will be required to submit to the chief buyer of the JEFFERSON PARISH Purchasing Department a quarterly usage report by item of all items listed on this proposal.
16. Freight charges should be included in total cost when quoting. If not quoted FOB DELIVERED, freight must be quoted as a separate item. Bid may be disqualified if not quoted FOB DELIVERED or if freight charges are not indicated on bid form.

A Two (2) year contract for Turnout Clothing- Helmets and Accessories for Jefferson Parish Fire Department.

0010 - HELMETS, (complete with Shield)
Cairns 660C

A. Certification:

The manufacturer of the protective helmet being bid must certify that the helmets as offered meet or exceed all requirements of NFPA Standard 1972 (1997 edition)

B. Materials:

Shell material shall be a high temperature fiberglass-reinforced resin whose construction shall be comprised of fifty (50) percent of long-fibered fiberglass and the balance high temperature resin, with a vinyl trim edging and metal D-ring. The average wall thickness shall be point zero seven five (.075) inches and the shell weight shall be of rigid, high-temperature urethane foam attached to a flame-retardant plastic inner liner, supporting the adjustable cloth cushion liner or nylon tricot sweatband and the over head webbing suspension, with a weight of ten (10) ounces.

C. Dimensions:

The overall length shall be thirteen and three-fourths (13 3/4) inches in length, eleven and one-fourth (11 1/4) inches in width, and a crown dome depth of seven and one-half (7 1/2) inches. The shell shall have a downward sloping brim and no radius smaller than point one eight seven five (.1875) inches to maximize impact protection and water deflection.

D. Weight:

The helmets will suspension and chin-strap shall weigh thirty (30) ounces or less, and the helmet complete with face shield, earflap and plastic edge heading shall weigh forty-three (43) ounces or less.

E. Suspension:

There shall be three (3), three-fourths (3/4) inch, nylon web overhead strap with fixed and adjustable features mounted to provide a six (6) way overhead strap assembly

F. Sizes:

These helmets shall be of Ratchet sizing system so that one size will fit all.

G. Shell Colors: The shell shall be color coded as follows:

white
yellow

H. Accessories:

The helmets shall be complete with plastic edge beading plus a nylon chin-strap with quick-release buckle and metal hanging ring.

Reflective trim shall be fluorescent Lime/yellow flame-resistant Scotch-Lite tape. The helmet shall have four(4) inch strips around helmet to seat NFPA 1972 (2000 edition)

Each helmet shall come with one set of title tapes for each rank of the department. As stated in paragraph C of this section, to be specified at time of purchase. Decals will be put on by purchaser.

Each helmet shall have a front decal, of which shall be a Maltese Cross with the rank emblem in the center. The cross shall state Jefferson Parish Fire Department, as shown in diagram C

I. Safety Requirements:

All helmets must meet or exceed safety standards of NFPA 1972 (2000 Revision), OSHA (29-CFR 1910), 1981, and all other Federal and State of Louisiana requirements.

J. Shield:

The shield shall be at least four inches high-pivot wraparound coated lens face shield prices shall be given as both, a complete helmet (0010) and also separately (0020).

K. Linings: Protective ear covers shall be PBI/Kevlar seven and five tenths (7.5) ounce rip stop, lined with four (4.0) ounce PBI/Kevlar knit. The ear cover shall be attached to the interior of the impact liner by hook and pile velcro to facilitate removal for laundering.

0020 - Shield for helmets (ONLY)

Shield for Helmets (only) four (4") inches.

The shield shall be at least 4", high pivot wraparound coated lens face shield. Prices shall be given on shield only.

0030 - ESS Goggle System S55OP

0040 - Helmets, Cairns 880

PURPOSE:

To supply a purchasing specification for a structural firefighter's helmet

with a thermoplastic traditional shell.

SCOPE:

The scope of this purchasing specification encompasses design, construction, materials and performance criteria deemed necessary for helmets utilized in structural firefighting.

GENERAL:

Helmets manufactured in accordance with this specification are designed to meet the requirements of NFPA 1971-2000 edition, standard for firefighter helmets.

MANUFACTURER'S WARRANTY:

Helmets shall be warranted, for the lifetime of the helmet, to be free of defects in material and workmanship. The manufacturer shall guarantee, for a period of five (5) years from the date of manufacture that any helmet shell will be replaced free of charge if it is damaged beyond use while worn during normal assigned fire ground activities. The manufacturer shall be relieved of any replacement liability under this guarantee if there has been a failure to follow the manufacturer's maintenance requirements supplied with each helmet. Please refer to the official warranty policy #3600-09 for details.

HELMET SHELL:

The 880 Tradition shall have a Traditional American Fire Service Style helmet shell, comprising a crown, with four (4) major ribs (front, back, left, and right sides), and four minor ribs equidistant between each major rib, and a brim that has a short front visor continuing around the sides to a large brim area. The upper surface of the brim shall have a smooth finish molded into the surface of the thermoplastic.

The helmet shell material is a composite consisting of a high-temperature, flame, and chip-resistant, "through-colored" thermoplastic which is molded to form a one piece shell. The shell dimensions (with edge-trim) shall be 15.5" in length, 11.88" in width, and a crown depth of 6.5". The shell shall have a nominal wall thickness of 0.065" in the crown and a 0.080" in the brim.

The shell color finish shall be available in the standard colors of white, red, black, orange, blue and yellow.

The helmet shell shall be furnished with a formed brass front-piece holder which shall be attached to the shells front main rib, and positioned to support 6" front holder with silk- screened brass eagle.

The shell shall have a brass, front- piece mounting bracket affixed to the front holder mounted on the crown of the helmet. The bracket shall provide positioning

and retention of a 6" fire department identification shield. The shell shall have black high - temperature, flame-resistant, flexible edge trim composed of an aluminum-cored, thermoplastic rubber (TPR). The edge-trim is secured around the entire brim of the helmet by crimping the aluminum core, with a wire trim reinforcing the brim of the helmet. The edge-trim is secured at the mating ends with a high temperature adhesive and clamped by the helmet hanger clip at the edge of the rear brim. The shell shall have a helmet hanger comprised of a 3/4", nickel plated "D" ring and a stainless steel clip. The helmet hanger shall be attached to the center rear of the brim.

IMPACT LINER:

The 880 Tradition shall include an impact liner, which is comprised of a high density rigid cell, high temperature urethane foam cap.

HEAD SUSPENSION:

The 880 Tradition shall consist of a 6-way head suspension system, attached to the impact cap. The head suspension system is comprised of three (3) fixed 75" wide nylon straps mounted at six points on the impact liner and fastened at their intersection to form the 6-way overhead strap assembly. The straps are attached to the impact cap by means of a tubular wire ring, joined at the ends by an elastomeric tube that locks the straps into a routed annular groove in the impact cap.

SIZING ADJUSTMENT:

The size of the headband may be adjusted to fit the wearer's head by means of a ratchet adjustment system. The headband shall have a head size range of 5-5/8 to 7-5/8, adjustable in 1/8 increments. The head band is attached to the sides of the impact cap ring by four (4) flexible retention tabs. The rear ratchet arms shall have three (3) adjustable positions so that the angle of the ratchet may be set to accommodate the nape of the wearer's head.

COMFORT LINER:

The 880 Tradition shall have a comfort liner, which consists of a headband cushion liner and a ratchet pad, which are both removable. Both components are produced from a foam core laminate system, which is comprised of a soft black flame resistant flannel material against the users head and backed by a soft loop material which will be secured to the headband and the ratchet with hook fastener. The comfort liner is machine washable, and can be easily upgraded to a leather-lined deluxe version.

CHINSTRAP:

The chinstrap shall be constructed of three (3) pieces (or sections) of 3/4" wide, spun Nomex webbing, which connect together by a high-temperature, super-tough, thermoplastic quick release buckle. The middle section shall be a minimum of 20.5" in length and the total length of the chinstrap shall be 33.0" at full extension, end to end.

The chinstrap is attached to the shell at either end by means of a stainless steel clip and tuck loop.

EAR/NECK PROTECTION:

The 880 Tradition provides for ear and neck protection with a 7.25" high, 18.5" long, full-cut earlap. The earlap consists of a 4.5 oz/yd, yellow Nomex outer-shell and a flame resistant black inner- liner. The earlap shall be secured to the shell using an integrated hook system.

The earlap is machine washable. The ear and neck protector shall be removable without interfering with the overhead strap assemble in any way and without removing any part of the helmets suspension.

EYE PROTECTION-OPTIONS:

FACESHIELD:

The face shield shall be a wrap-around, high pivot design, 4.5" wide, 18.0" long and 0.150" thick. The lens material shall be high performance, high temperature resistant thermoplastic. The lens shall be coated with a scratch resistant coating on both inner and outer surfaces to protect the lens from abrasions.

FACESHIELD HARDWARE:

The face shield shall be mounted to the helmet shell by no means of two (2) glass-reinforced, high-temperature and flame-resistant thermoplastic bracket assemblies, with adjustable thermo-plastic knobs one (1) on either side of the helmet shell. The brackets allow the face shield to pivot above the helmet shell when it is not in use.

RETRO-REFLECTIVE TRIM:

The helmet shall have eight tetrahedron shaped pieces of Lime-Yellow, retro-reflective, fluorescent Reflexite trim around the exterior of the crown of the helmet shell for maximum daytime and nighttime visibility.

PERFORMANCE CRITERIA:

The 880 Tradition helmet shall meet the requirements of NFPA 1971-2000 edition, US-OSHA (CFR 1920) NBSIR 1977, and CAL- OSHA. The request of only a Bourke lens on this helmet reduces the certification to US OSHA (CFP 1920) NBSIR 1977.

**PERFORMANCE VERIFICATION DATA
REQUIREMENT:**

Response to this specification shall include a current, NFPA 1971-2000 Certificate of Conformance test report form an accredited test facility for the helmet offered. This certification testing is conducted annually as per NFPA requirements.
